

# STEVEN AUBAIN-SANTIAGO

Steven was born in San Juan, Puerto Rico in 1995 to Irina and Orlando Aubain. He started singing at the age of two years old during his mother's presentation at a Christian service in Hogares Crea in Carolina, PR.

Being a born again Christian, he always knew that God had a specific plan for him. Since a very young age he felt in his heart the desire to go on Missionary Trips, and to preach the gospel to the lost.

He was accepted at a US college to study Medicine, but just weeks before he started, he felt God's calling leading him to ministry and did not pursue medicine. In 2013 he enrolled in The River Bible Institute, which he graduated with a bachelor's degree in Ministerial Divinity, in 2016. He was licensed as a Minister in 2016 with Revival Ministries International Ministerial Association RMIMA.

He is an active Member of The River Church, where he teaches at the River Bible Institute en Español. Currently he is the worship leader at El Rio church with Pastor Evelyn Chaparro, and is active in Missionary Trips all around the world.

His life long dream of recording his Album finally came to fruition after five consecutive years of intense Vocal lessons. He is finally releasing his Christian Worship Contemporary Album in Late Summer of 2017. This Album contains all original songs that Steven has written, including one Standard Christian song and One song written by his Producer, Arranger Grammy winning Pianist, Lannie Battistini who also owns the Label Hands In Motion Music.
